## News

Welcome back. I hope you all had a great summer.

If your child has special dietary needs, please make sure forms are turned into the office. If we don't have documentation on file, we will not be able to make any food substitutions.

Just a reminder that school lunches are not free this year. Please make sure that your child's lunch account is in the positive.

Free and reduced lunch applications are available in the school office.

New this year is the pizza munchable which is our version of the lunchable. Also, we are going to make baked ziti and a breakfast sandwich on an English muffin with egg and sausage.

We will Celebrate July and August birthdays on August 24.

Please watch fast direct for any changes to the menu.
