

CONCORDIA LUTHERAN SCHOOL

PRESCHOOL • ELEMENTARY SCHOOL • MIDDLE SCHOOL

A Ministry of Concordia Lutheran Church

General Health Information

Physical Exam/Health Questionnaire

All students new to our school are required to have a recent physical or “Physical Exam Questionnaire” signed by their physician along with the “Health Questionnaire” form filled out by the parents/guardians.

These forms must be submitted to the school office no later than the first day of school.

CHIRP

As required by IC 20-34-4-6, we report immunizations to the State Department of Health each year on all students in grades K, 1 and 6. This report is currently done online through CHIRP (Children and Hoosier Immunization Registry Program) and we will need a consent signed for each child in order to report this information to the state. **This form needs to be submitted to the school office no later than the first day of school.**

Immunizations

IC 20-34-4-2 requires that **ALL** students have the required immunizations **PRIOR** to, **and on file with the school before the first day of school.** Please obtain an original immunization record from your physician. These immunizations need to be given according to the ACIP (Advisory Committee on Immunization Practices) and the Indiana State Department of Health, this includes proper intervals between each required dose. These minimum doses must be met and they must have been given at the proper minimum age and have the proper intervals between each one to be acceptable for the state school requirements.

The only exception to this rule is a signed “Medical Exemption” form filled out by your child’s physician (IC 20-34-3-3) or a “Religious Objection” form signed by the parents/legal guardians (IC 20-34-3-2) stating that it is against your family’s religious beliefs. Please contact the nurse if you need either of these forms.

Unfortunately, if this is not completed by the first day of school, you will receive a letter excluding your child from school until the immunizations have been obtained and proper paperwork has been filed.

It is important that you review your child’s immunization records now and obtain these necessary immunizations from your child’s physician, the Fort Wayne Allen County Department of Health, or any Super Shot location. Remember to provide the school with documentation of all shots received from infancy through the current date.

When Your Child is Ill

Children with fever, diarrhea, vomiting or other symptoms of illness should stay at home, and, if indicated, be evaluated by the doctor for diagnosis and appropriate treatment. Any fever of 99.9 degrees or above means that your child **must stay home for at least 24 hours** (free of fever **and** without the use of acetaminophen or ibuprofen). This means that if your child was sent home from school the day before with a fever, they need to wait **at least 24 hours** before they will be admitted back to school.

Medications

We will only administer FDA approved over-the-counter (OTC) and prescription medications prescribed to your child (this does not include any herbal medications or narcotic medications). These medications need to be brought to school by an adult in their original package and accompanied by the medication consent form found on our website or in the school office. Medication brought into school will only be available during school hours. Our school policies are in accordance with IC 20-34-3-18. All medication will be kept in a locked cabinet with the nurse, or trained staff member dispensing according to the package instructions. Students are not to have medication with them at any time. The only exception to this is if your child needs emergency medication (ex. insulin, an inhaler or an epinephrine injection) and the proper paperwork is filled out and on file with the school. (Per Concordia Policy, students in 6-8 grade may self-carry with appropriate documentation on file. Forms may be found in the school office or on our website.) If needed, this form requires a signature from your child's physician and is only for their EMERGENCY medication. These policies are in place to keep your child and others in the building as safe as they can be during the school day. A reminder that all cough drops are considered OTC medication and need to be kept in the school office for your child's use. Please read our full medication policy on the reverse side of the "Medication Consent" form.

Please understand that NO medication can be sent home with your child.
